TWO FACTIONS.

Cleveland and Hill Breaking up the Democrats.

PROVIDENCE, R. I., March 1.—There has been a warm campaign in this state among the Democratic factions in the preparation for the convention which occurs March 22. It has been for Cleveland for president and David S. Baker for governor on one side and Hill for president and W. C. Wardwell for governor on the other. The convention there will be 216 delegates, and of those, 154 have already been chosen. Straight Cleveland men claim 119 of this total or ten more than a majority. Six delegates were outspoken for Hill. The other twenty-nine delegates while ostensibly for Cleveland are classed as doubtful. This majority it is understood, favor pledged delegations for Cleveland. The opposition to Cleveland claim they are merely working to get an unpledged delegation to Chicago. There is some prospect that a candidate for United States senator will be named at the convention. Dr. L. F. Carvin and President Andrews of Brown University are mentioned.

TEXAS IN THE FIGHT.

Jack Burke Will Take Tom Ryans Place.

NEW ORLEANS, LA., March 1.—Jack Burke, the champion light weight of Texas has taken Tommy Ryans place in the contest before the Metropolitan Club. The fight will be for a purse of \$3,000 and the fight takes place at six o'clock tonight. Burke has been training Ryan and is in good form. He weighs 138 while his opponent, Danny Needham weighs 140. Billy Myer, Streater Cyclone and Jim Hall, the Australian, are Burkes seconds. Mike Conley, the Ithica giant and Tommy Hogan are seconds for Needham. Burke has a clean record of twenty-four victories. Three thousand two hundred tickets have been sold for the fight which is the full seating capacity of the club.

MURDERED HIS MISTRESS.

And Paid the Penalty To-day by Hanging.

LONDON, March 1.—Muir, the murderer, who some time ago murdered a woman named Sullivan, who was living with him as his wife, was hanged to-day in Newgate prison. At the time of the murder, which occurred in one of the purlieus of White Chapel, there was great excitement among the denizens of that district, as it was reported the crime partook of the revolting nature that characterized the murders done by "Jack the Ripper."

STOLEN JEWELRY.

Recovered By Paying The Robbers a Reward.

PORTLAND, OREGON, March 1.—In January last, Edward Huntly, a Chicago traveling man, was relieved of diamonds and other jewelry valued at \$12,000 by stage robbers. He offered a reward of \$2,000 for the recover of the stolen property and his brother received a letter from the thieves offering to return the property for the reward provided they were not prosecuted. An agreement was made and yesterday the jewelry was delivered to the owner by a man who disappeared as soon as he received the \$2,000.

A BOILER EXPLOSION.

Two Men Killed and Others Fatally Injured.

SAVANNAH, Ga., March 1.—A boiler in the Savannah, Florida and Western Railway shops exploded yesterday morning, killing two men and fatally injuring another. The building was wrecked and the patterns of the company's machinery and locomotives were destroyed. The killed are: John Murphy, engineer, white, and fireman Stalt, colored. FOR CLEVELAND.

Georgia Democrats Declare for the ex-President.

ATLANTA, GA., March 1.—The state executive committee has issued an address in behalf of ex-President Cleveland declaring that the unfair and undemocratic action of the machine in New York indicates a purpose to make the will of the people subservient to the greed of politicians. We therefore believe the time has come for active and resolute organizations of the Democratic masses in Georgia. The best sentiment of the people in this state, as in New York, finds expression throughout against the machinations of political intrigues. It declares Mr. Cleveland the choice of the Democrats of Georgia and he can carry New York and the nation.
